PET/CT Services of Florida, LLC

PET/CT Services of Florida provides state-of-the-art combined Positron Emission Tomography and CT Imaging to Citrus, Marion, Hernando and surrounding counties.

OUR STAFF:

Physician reading the PET/CT scans:

Dr. Jeremy Havas is Board Certified in Radiology and Nuclear Medicine. Dr. Havas brings to the community, experience and training with some of the top Nuclear Medicine physicians in the country.

Lawrence McNamee, MD is Board Certified in Radiology. He, along with his associates at Specialty Teleradiology, assures you of the highest quality interpretation of your scan results. In addition to broad experience in oncology, Dr McNamee has more that 30 years' experience in Nuclear Cardiac Imaging. He is a member of the Society of Nuclear Medicine and Molecular Imaging.

In addition to the local staff, PET/CT Services of Florida has access to a network of highly skilled specialists in the field, ensuring that they stay abreast of the latest advances in PET/CT technology.

For more information on how this powerful new diagnostic tool can make a difference in early detection and intervention in Oncology, Cardiology and Neurology, see our ad, **Back Cover**.

Inside Back Cover

Meadowcrest Family Physicians is excited to introduce 3 providers to the practice in 2019. **Ryan Dickert, MD; Coty Tino, MD; Jennifer Yoho PA-C.**

Dr. Dickert was born and raised in Citrus County. He completed his undergraduate and medical studies at Florida State University followed by a medical residency at the University of Florida in Family Medicine. He is excited to return to his home with clinic interests in geriatrics and chronic disease management.

Dr. Tino was born in Sebastian, FL. She completed her undergraduate studies at Webster University and medical school at East Tennessee State University followed by medical residency at the University of Florida in Family Medicine. Her professional interests include women's health, adolescent development, and preventative healthcare.

Jennifer Yoho PA-C attended UCF and graduated Magna Cum Laude in Health Science, before continuing on her education at Nova Southern University. She graduated in 2013 earning highest honors. She has been practicing in Family Medicine ever since. Her interests include sports medicine, diabetes, thyroid disorders and preventive medicine

Meadowcrest Family Physicians continues to provide exceptional care in geriatrics, family medicine, and chronic disease management. Onsite services include laboratory, ultrasound, DEXA, and telemedicine.

Gastroenterology Associates was formed in 1985 with the primary mission of providing excellent gastroenterology services to the citizens of Citrus County. Since then, we have grown to be a six member physician group dispensing comprehensive gastroenterology services to our residents.

All of us are board certified gastroenterologists delivering evidence based medical care at conveniently located adjoining medical offices and endoscopy centers in Citrus County: Citrus Endoscopy in Crystal River and Suncoast Endoscopy in Inverness. Our centers are equipped with state of the art video endoscopes and we follow strict national standards in cleaning them. We have skilled and dedicated nursing staff to provide compassionate care to our patients.

We accept most medical insurances including Medicare and Medicaid. We give deep discounts to the self pay to make it affordable.

Our goal is to deliver superior quality of medical care and efficient services at affordable cost to the residents of our community.
