

*Where You've Got Nothing To Lose But Pounds and Inches*

**Citrus  
Medical  
Weight Loss**

**Our results show that our patients:**

- Lose about 12-20 pounds per month
- Have decreased appetite
- Have increased metabolism
- Dramatically lower body fat
- Improve health
- Look and feel great with increased energy
- Learn which foods to eat and foods to avoid to promote weight loss
- Develop a realistic maintenance plan that is medically monitored

***Affordable  
and Effective  
Weight Loss!!***
